

Application for Membership

The Brigstowe Project provides housing and client-centred, housing-related (=floating) support, information and advice to people living with or affected by HIV in the Bristol area. We also aim to influence the policy and practice of other local housing providers to better meet the needs of people living with HIV.

Members are essential to the project's work in order to:

- Publicise the project as widely as possible
- Ensure a democratic and accountable organisation
- Ensure that people affected by HIV have a say in how the project runs
- Bring a variety of skills and experience (e.g. in health, housing, finance, fundraising, management, support, tendering).

Members are responsible for electing the Trustees of the project and for advising them on its day to day management by attending monthly meetings if they wish.

Membership is open to everybody at the discretion of the Trustees and on payment of £1. Members do not have any financial or legal liability for the project.

Our membership list is confidential to the project's staff and Trustees and will not be distributed to any other organisation.
